

## Privacy Statement

### Responsible Body

The responsible body within the meaning of data protection legislation is the **Leader** of the “**Alternative Green Areas for Rural Europe**” (AGARE) Project / Ref. No. 624965-CITIZ-1-2020-1-IT-CITIZ-CIV, namely **European Laboratory on Training, Education and Citizenship (EuLabTEC)**. When using data, it will respect the statutory data protection regulations. Nature, scope and purpose of data collected and processed serves only the sole purpose of running the event and – subject to the user’s consent – for the purpose of statistical evaluation (hereinafter referred to as “data”): personal data relating to the participants, such as their name, country, represented institution and e-mail address as well as data that is required in order to run the event.

### Disclosure of Information to Third Parties

Information that the **European Laboratory on Training, Education and Citizenship (EuLabTEC)** receives will only be disclosed to third parties to the extent described as follows: if it aids the running of the event, your data will be disclosed to external parties who are jointly involved with **European Laboratory on Training, Education and Citizenship (EuLabTEC)** in running the event, taking data protection regulations into account and in compliance with the prescribed guidelines – binding them to handle personal data with due care and not to use it for their own purposes or to disclose it to third parties. Hosts and co-hosts commissioning **European Laboratory on Training, Education and Citizenship (EuLabTEC)** with the organization and running of the event will receive all of the recorded data in its entirety for their own use.

### Data Processing, Storage and Disclosure

**European Laboratory on Training, Education and Citizenship (EuLabTEC)** will store, amend, delete, disable and/or use my data within the bounds of the event and will only disclose my data to third parties respectively for the sole purpose of organizing and running the event. The following personal data may be posted online in a list of participants made available after the conference on the publicly accessible web page as part of the conference documentation: first and last name, category of participant, position, organization, city, country (the remaining data provided on your registration form will only be used for internal purposes.). Visual and audio recordings made during this public event by the host and/or service providers and media vested with this task will solely be used for the purpose of reporting on and documenting the event.

You may revoke your above-stated declaration of consent free of charge at any time by sending a corresponding statement to the Leader of the **AGARE Project**. Should you have any questions, please contact the project manager at any time, e-mail: [eulabtec@gmail.com](mailto:eulabtec@gmail.com).
